

Rotary Club of Wellington

Citation for the admission of **Denzil Brown** into the Paul Harris Fellowship by the Rotary Club of Wellington at the President's Dinner, 2 June 2010, President Stephen Brown presiding

This Rotarian joined the Rotary Club Wellington some 20 years ago, before then having served in other Rotary Clubs since 1957, as his place of residence permitted.

An alumnus of Victoria University and Knox College he has served his calling throughout New Zealand.

A noted wit and raconteur, he entertains the Club hugely when delivering the Sergeant's Session.

Also noted for his willingness to express his views on matters of social justice, he is an enthusiastic and principled supporter of those less fortunate than most, a champion of the underdog and defender of the defenceless.

Even though retired from the ministry to which he has devoted his life, he continues to serve as Honorary Associate Minister of St Matthews Co-operating Parish.

He has an exemplary record of attendance, and delivers his simple but moving Grace, as we have seen, as often as he is in attendance.

Denzil Brown lives the life to which Rotarians aspire in the form of the Four Way Test and I have great pleasure in admitting him to the Paul Harris Fellowship.

A handwritten signature in blue ink, appearing to read "S. Brown".
