9940 District Governor Bob Smith says

“This is one of the most exciting multi-district initiatives - and one of my top priorities. This programme enables you to be inspired while refreshing your skills to become one of the 21st Century leaders that we need for the future of Rotary.”

The Rotary Leadership Institute - RLI - has fun, interactive, fast-paced courses that are designed to provide Rotary knowledge and develop leadership skills, to foster a pool of enthusiastic Rotarians capable of taking on future leadership roles in clubs and districts. The programme is made up of three different, one-day, discussion-based workshops that can be taken at your own pace.

What's in it for you?

Whether you're new to Rotary, in a Rotary leadership role or aspiring to leadership in your Club - this programme is for you. It's ideal for people in 'elect' positions (President/Secretary/Treasurer) or for people leading Club Projects.

This Programme marries solid content about Rotary with opportunities for you to:

- Learn about what's new in Rotary - experience the breadth and depth and understand the excitement of Rotary Service
- Develop 21st Century leadership skills - influencing, inspiring and facilitating positive change - linked to the District Strategic Plan and Club Leadership Plans
- Learn why 'story-telling' is the new glue in Clubs
- Widen your repertoire of options for getting better outcomes
- Network across the District - discover the talent within
- Practise (or refresh) your leadership skills in a safe and fun environment
- Put Rotary Leadership on the map as a membership retention strategy - come away with tools for your Club
- *New Rotarians please note that Course 6 on the 19th May 2012 is planned so that you can stay over for the Rotary Assembly on 20th May 2012 (location tbc)

Enrol Now! Three one-day workshops spaced over some months. Choose the dates and location to suit you.
